

Tim Baldwin is a multi-instrumentalist, Central NY vet with a long resume. Appearing on two of Savage's releases, "Ain't Got No Money" and "Empty Spaces", Tim has been a good friend and collaborator since playing lead guitar in Savage Stone. That version of the group, with drummer vocalist Bob Elmer, Carter Jackson on bass, Robin on keys and Savage on rhythm guitar and vocals was arguably the best combination of the cover band.

Tim has played with many local acts including Shaky Jake, Red Neck Rodeo Cowboy Band, Smokin, Brian Mulkern band among others.

Tim plays Mandolin on Walk with me, Fiddle on Swamp Tune and alto sax on Bad Boys and Bills Mafias (Empty Spaces release), and Fiddle on Honey Tree and Sax on Baby Babe, Belly Achin Blues, Ain't Got No Money, and Upstairs from You (Ain't Got No Money release).
